## CWC-Chattahoochee Wax Company

Magically combining all the things that they are most passionate about, Chattahoochee Wax Co. has been so much fun for founders Kara and Lake Brakefield. A non-toxic home, supporting small businesses, sustainability, and tying it all in to their hometown of Columbus, Georgia- who knew all that could be found in a candle? These organic beeswax candles are lovingly hand-poured in the kitchen

with the safety of you and your family in mind. Scented with only essential oils and locally sourced herbs, CWC candles are naturally air purifying and spirit lifting. No chemicals, no toxins, no nonsense. Just one less thing for you to worry about. CWC is full of sincere hope that these candles find you well and that where ever they adventure to with you, they keep you where the light is. Candles start at \$28<sup>.00</sup>.
