Let's Move! Modes of Transportation

Look closely at the following objects from The Columbus Museum. What do you see? People use vehicles like trucks, buses, and cars as a way to move from one place to another. Can you name each vehicle or mode of transportation pictured below? Draw a line connecting each word to the correct image. What kinds of transportation do you use?

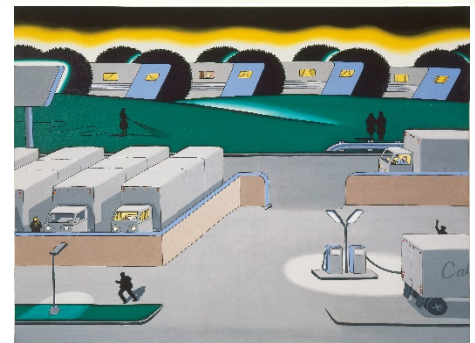

TRUCK

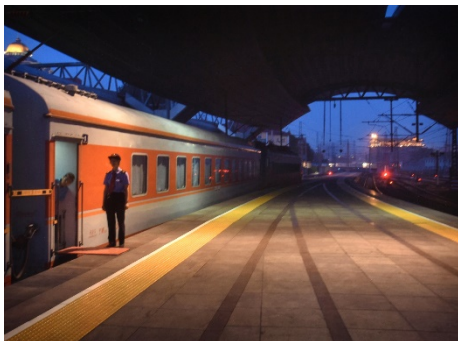

TRAIN

BUS

BOAT

CAR

BICYCLE

Collection of The Columbus Museum (from left to right): Ray Klein and R. L. Eastwood Jr., Columbus city bus on/heading toward Cusseta Road, 1964, printed 2018, digital image on Fujicolor Crystal Archive paper; Unknown, Toy Automobile, 1925, Metal; Jennifer Wynne Reeves, *Place (62)*, 1996, Acrylic and pencil on multimedia board mounted on board; Roger Brown, *Trailer Park, Truck Stop*, 1971, Oil on canvas; Bernard Perry, *Beijing Railway Station Platform*, 2013, Giclee on archival paper; René D. Shoemaker, *On the River, Chattahoochee Riverwalk, Columbus, Ga*, 2015, Hand painted fiber reactive dye on silk twill

Let's Move! Modes of Transportation

(Continued)

Take another look at this painting by Jennifer Wynne Reeves. What shapes do you see? What colors can you find? Where do you think the boat is going?

Now it's your turn!

Create your own mode of transportation in the space below. What would it look like? How would it move? Where would you go?
